Dear Friend of Boylston,

Thanks to the support of local businesses and residents like yourself, Keep Boylston Beautiful, Inc. and hundreds of volunteers have contributed to our efforts of successfully removing **25,000+ pounds of litter** from our roadsides over the past seven years. We are honored to be able to continue this community tradition with your support.

In continuing with tradition, we are hosting a town wide cleanup this spring. The usual debris continues to litter our roads, parks and common areas. On Saturday April 29th and Sunday April 30th, 2023 many volunteers will come together to remove the litter. To help offset the cost of t-shirts and clean up supplies for our volunteers, we are seeking sponsors from the Boylston business community to once again assist with this heartfelt cleanup initiative as well as future projects.

Please join us in saying “Yes! I want to help Keep Boylston Beautiful!”
